

I picked up Nova and Gabriel because we are going to the beach with Gabriel's best friend from school. And Nova played with the little sister. Gabriel was totally red and the mother says they are not. I went home to get the stuff I needed for the beach trip and recorded as soon as I got in the apartment so I couldn't "manipulate" Leon's reaction. Gabriel acted at beach really bad like the behaviour they had in Norway.

00.02

Gabriel "stop"

Marius "stop"

Gabriel "can you stop"

Leon was not allowed to see Gabriel before I told him, that is why he waited behind the wall.

Marius "you can come here, and you are coming with me, everybody."

Gabriel "Leon"

Marius "come on"

00.20

Marius "just come, just stand here."

Gabriel "what is it it?"

Marius "come here, look at his face."

Leon "yes"

Stop the video at 00.31 and you see the rash, my biggest problem here is that shitty camera I have.

Leon "oooh shit"

Gabriel "what is it?" this is for me strange, he asks like he doesn't know. How can he don't know that?

Marius "yes, how did he look like when he was departure from here?"

Leon "he was totally fine. He was totally fine."

Marius "have he ever looked like this with me?"

Leon "no"

If you stop at 00.40 you can see it as well. You can see it all the way from his bottom skin to the side of the eyes. But he has actually his whole face covered, it was just most on the right side.

Marius "we need to go out to the sun"

Gabriel "can I see?" he gets a little stressed about what it is

Marius "come, I don't see it well enough"

Gabriel "I want to see"

Marius "you are sure that Elin is not in Canaria?" I wanted to take Gabriel to his teacher to document that he have never been like this with me

Gabriel "what?"

Marius "you are sure that Elin is not here?"

Gabriel "where am I red?"

Marius "come here, you will see soon."

Leon "Elin, why should Elin be here?"

Marius "because I wanted her to see him"

Leon "what?"

Marius "because I wanted her to see him"

00.59

Marius "Gabriel, you can actually see that Nova is. How do you think Nova is looking today? Be honest. Look properly."

Gabriel "Leon is playing fortnite"

Leon "yes dad has fixed it"

Marius "how does Nova look like?"

Gabriel "good"

Leon "she looks"

Marius "be honest"

Leon "she looks bad"

Marius "but she is looking way better today, but she is way better today."

Leon "yes"

Marius "now she is only red here and here,"

Leon "maybe mother have fixed it a little bit"

Marius "no, because you can see at Gabriel, she fixed Nova, but forgot one thing that Gabriel is also reacting to things. Everyone one of you are reacting to this things. Look that way and look up."

You can see it a little bit around 01.41- 01.42 but it was actually better without the sun.

01.43

Marius "I hope it is possible to see all this rash" 01.45 you can see it underneath his chin and down towards his throat.

01.45

Marius "wait, just stand normal. No you need to stand normal, Gabriel. Now you need to listen to what is being said. And then I can see here, on the other side"

If you stop it on 01.58 is there as well visible on the camera.

02.00

Marius "take of your t-shirt, take of your t-shirt, take of your t-shirt"

Leon "that is a fake tooth"

Marius "have you been sleeping with clothes on?"

Gabriel "yes, or not me"

Nova "not me"

Leon "it is there, there under."

Marius "what? Where is it the red spot is arriving, where is it the red spot is arriving when it starts to be really bad? Where?"

Nova "there is my spot"

Marius "where is it it usually comes?" I have also taken a picture of me with that red spot so you can see that every boy gets it, I have never seen it on Nova. It only appear when we are in a place or have things we are reacting to on us for a longer period of time. We are talking at least two days.

Leon "here" now he points where it arrives"

Marius "mm, now you can see here, ..... don't know what I am saying. But his spot is here, ok take of your pants." This red spot started to appear in Norway every time I picked up the kid from the mother when I was not living in the the house any more. Tis was then a common sign for them to be in a bad statement with a lot of aggression and really bad behaviour. So then I knew that I couldn't talk to the kids with a louder voice when they did something really wrong, since it just got worse because they had no control of their emotions.

02.46

Marius "look at this here, take of this one."

Nova "not my trouser"

Marius "no, you don't need to take that of. Ok you look good since you have been using my clothes. So you are actually much better, it is, have your mum put on much lotion on you yesterday, maybe?"

Nova "yes"

Marius "a lot of lotion, the whole day?" she nods the head with yes.

Marius "mhm, that I could imagine."

Leon "what kind of lotion?"

Marius "and then she forgot to put lotion on the whole day"

Leon "what kind of lotion, sun lotion?"

Nova "yes"

Gabriel "why do you ask?"

Marius "did she put on lotion on you the whole day or was it only Nova the whole day?"

Gabriel "I don't know"

Marius "at night? When you were inside?"

Gabriel "no"

Marius "home?"

Gabriel "no, never"

Marius "only Nova?"

Gabriel "yepp"

Marius "mhm, do we need any more answer than that, no?"
